

WORKSHEET

Part 1: Impact of history and culture on the caring role:

- Initial thoughts: What are some factors raised in the video?

- Reflection: How would these factors affect the way you work with carers in the Aboriginal community?

Part 2: Impact of family structures and values on the caring role:

- Initial thoughts: What are some factors raised in the video?

- Reflection: How would these factors affect the way you work with carers in the Aboriginal community?

Part 3: Messages for community organisations

- Initial thoughts: What are some messages raised in the video?

Final reflection: From all you have heard and seen in the slide show, what are the key messages you will 'take home' with you?

- What ideas will you take back to your workplace?

- What new practices will you use in future?

- How will you be more effective in working with carers in the Aboriginal community?
